Buy Real Acres in Real Places

Buy an Acre Fund

£50 saves One Acre projects

WLT can still buy and save an acre of critically threatened tropical forests and other vital habitats in Argentina, Brazil, Ecuador and Paraguay. You can earmark your donation to a specific project and this will guarantee land purchase in that country. Or, if you are willing to allow the Trustees to make the decision where your donation is most urgently needed then please donate to the **Buy an Acre Fund**.

WLT Action Fund

For other urgent land purchase projects

In other countries the price of land is higher but you can still help WLT save vital habitats by donating to our urgent appeals. Again, you can earmark your donation or, if you are happy for the Trust to decide, then your donation will go into the WLT Action Fund and will be used where most urgently needed.

The WLT Gift Pack

If you are making a donation as a gift your certificate will come in a beautiful Gift Folder with a wildlife card for your message. It will also include project information so that your recipient will know about the work they are supporting.
