WORLD  
LAND  
TRUST

## Your donation will:

- Permanently protect habitat
- Fight climate change
- Save species

### Permanently protecting habitats

Working with overseas conservation partners World Land Trust uses your donations to purchase and protect critically threatened land, saving it from deforestation and linking and extending reserves.

### Fighting climate change

Healthy forests are the green lungs of the planet, taking CO<sub>2</sub> from the atmosphere and locking it away. Saving the world's last remaining forests is a crucial way of tackling climate change head on.

### Saving species

All World Land Trust projects have been selected because of their high biodiversity value. They are home to threatened wildlife large and small, and hold species yet to be discovered. Saving land can prevent extinction.

### What is the best way for me to make my donation?

Whilst we try to provide everyone with an opportunity to support projects close to their heart, the most effective way to donate to World Land Trust is through the Action Fund. This is WLT's unrestricted conservation fund which allows us to direct funding quickly to where it is most urgently needed. Funds will be used for any of WLT's key projects and appeals, or when emergencies occur it gives us the flexibility to respond quickly to urgent requests from our programme partners.

# Choose how to make your impact

## Know where your donation will be spent

Your donation will go towards WLT's most urgent conservation needs.

### Buy an Acre

For just £100 you can save one acre of threatened habitat and all its unique wildlife.

### Plant a Tree

A £5 donation will plant a native tree to restore a degraded habitat.

### Keepers of the Wild

Support a ranger's valuable work protecting land from ongoing threats.

### Become a WLT Friend

Make your commitment to conservation today (overleaf).

Help combat climate change by offsetting your unavoidable carbon emissions through WLT's Carbon Balanced Programme
