Permanently protecting habitats
Working with overseas conservation partners World Land Trust uses your donations to purchase and protect critically threatened land, saving it from deforestation and linking and extending reserves.

Fighting climate change
Healthy forests are the green lungs of the planet, taking CO₂ from the atmosphere and locking it away. Saving the world’s last remaining forests is a crucial way of tackling climate change head on.

Saving species
All World Land Trust projects have been selected because of their high biodiversity value. They are home to threatened wildlife large and small, and hold species yet to be discovered. Saving land can prevent extinction.

What is the best way for me to make my donation?
Whilst we try to provide everyone with an opportunity to support projects close to their heart, the most effective way to donate to World Land Trust is through the Action Fund. This is WLT’s unrestricted conservation fund which allows us to direct funding quickly to where it is most urgently needed. Funds will be used for any of WLT’s key projects and appeals, or when emergencies occur it gives us the flexibility to respond quickly to urgent requests from our programme partners.

Tax-efficient giving to WLT: Your options

Did you know tax-efficient giving to WLT is possible in the following countries?

In **Australia**, World Land Trust has become fully registered as WLT Australia (WLT-A). You can donate direct to WLT-A on the main WLT website.

In **Continental Europe**, we’re partnered with Transnational Giving Europe to enable tax-efficient giving. At present we can accept donations from Germany and can set up with many other countries on request.

In the **USA**, we’re partnered with CAF America. Simply donate on their website (cafamerica.org) with a request that funds be passed on to World Land Trust.

If you’re **in the UK** and interested in an alternative to Gift Aid, Payroll Giving allows you to donate from your income before tax is deducted, making it especially useful for higher rate taxpayers. Please speak to your employer to find out if they offer this.

If you have questions about any of these please call 01986 874422 or e-mail donations@worldlandtrust.org and our Donor Relations Team will be happy to help.
